REGULATIONS

PART 21
CHEMICAL AND BIOLOGICAL SUBSTANCES

Substances Listed in Schedule Q

- 312.(1) An employer shall send to the Chief Safety Officer a written notice of the handling, use, storage, production, distribution or disposal, or intended handling, use, storage, production, distribution or disposal of those chemical or biological substances set out in Schedule Q.
- (2) An employer shall not require or permit a worker to handle, use, store, produce, distribute or dispose of chemical or biological substances set out in Schedule Q without obtaining the written permission of the Chief Safety Officer.

SCHEDULE Q
Notifiable Chemical and Biological Substances

A. Any of the following chemical substances or any mixture containing more than 1% of any of them:

| CAS* Number | Chemical Substance |
|-------------|---------------------------|
| 92-67-1 | 4-Aminobiphenyl |
| 492-80-8 | Auromine |
| 92-87-5 | Benzidine |
| 542-88-1 | bis (Chloromethyl) ether |
| 119-94-1 | o-Dianisidine |
| 91-94-1 | 3,3'-Dichlorobenzidine |
| 107-30-2 | Methyl chloromethyl ether |
| 50-60-2 | Mustard gas |
| 91-59-8 | 2-Naphtylamine |
| 92-93-3 | 4-Nitrobiphenyl |
| 75-01-4 | Vinyl chloride |

*"CAS" means the Chemical Abstracts Service Division of the American Chemical Society

B. Any of the following biological substances:

Genetically modified¹ micro-organisms²

¹"genetically modified" means genetic combinations not known to occur naturally.

²"micro-organisms" means any organism or consortium of organisms of microscopic size, including bacteria, protozoa, fungi, algae and viruses.
