## Expression of Interest - Intern Policy Analyst (2 Year Term)

**N 19/11 NT**

The WSCC's vision is to eliminate workplace diseases and injuries. Our mission is to promote workplace health and safety while providing no fault insurance to employers and care for injured workers. Our values are respect, engagement, integrity, openness, cultural safety, excellence and stewardship in the workplace.

Intern placements are available to Northern graduates. A northern graduate is an individual who has graduated with a diploma or degree from a designated post-secondary institution within a 24 month period prior to applying to the Internship Program or will complete all academic requirements for his/her program within 6 months of applying to the Internship Program. Applications to any intern job posting will only be accepted if you are registered to the Internship Program. For more information on the updated Internship Program including eligibility criteria and please visit www.gnwtjobs.ca/interns.

The Intern Policy Analyst (Intern) provides assistance to the Policy, Planning and Corporate Reporting Unit on a broad range of program and policy issues under the Northwest Territories and Nunavut *Workers' Compensation Acts, Safety Acts, Mine Health and Safety Acts, Explosive Acts,* and *Access to Information and Protection of Privacy Acts.* In addition, the Intern will provide support to decision makers through research and informed analysis aligned with the WSCC's Vision, Mission and Values.

Located in Yellowknife, the Intern reports to the Manager, Policy and Planning. The Intern conducts analytical and qualitative research on national and territorial issues related to workers' compensation and related corporate matters. The Intern works closely with the Policy Analyst and provides support through conducting directed research, performing inter-jurisdictional scans, conducting stakeholder engagement, and performing other duties, as required.

We require a Bachelor degree in Political Science, Public Administration, or other Social Science.

The salary for this position ranges from $34.67 to $41.38 hourly ($67,606.50 to $80,691 yearly), plus a yearly Northern Allowance of $3,450.

**A satisfactory criminal records check is required for this position.**

**Closing Date: February 15, 2019 @ 5 pm (MST)**
