WSCC Careers

Occupational Health and Safety Education Specialist, Yellowknife

N18/42NT

The Workers' Safety and Compensation Commission's (WSCC) vision is to eliminate workplace diseases and injuries. We promote workplace health and safety while providing no fault insurance to employers and care for injured workers. We uphold the values of respect, engagement, integrity, openness, cultural safety, excellence and stewardship.

The Occupational Health and Safety Education Specialist (OHSE) collaborates with internal and external stakeholders to provide, develop and deliver Occupational Health and Safety (OHS) programs that support vulnerable workers in education and non-educational settings. Located in Yellowknife, this position reports to the Manager, OHS Programs and supports Prevention Services.

The incumbent will work with stakeholders to develop educational plans that ensure workers compliance to legislation and make recommendations based on industry best practices. The OHSE Specialist is tasked with identifying OHS education gaps, developing programs and following through to implementation.

The incumbent will show demonstrated ability in using a variety of education methods and a solid understand of alternative curriculum to a wide range of demographics. Proven experience in public speaking, strong research and analytical skills are also required. The incumbent should also have experience with developing, implementing and evaluating programs.

The position requires a related Degree in Adult Education, with a minimum of 5 years of progressive experience in education. This should include 2 years related experience in the development and implementation of educational programs and tools. Delivery of presentations, courses and workshops, preferably in OHS, is required.
OR
A Degree/Certification in OHS, and a minimum of 5 years of progressive experience in education. This is to include 2 years' experience in the development and implementation of safety education programs and tools, delivery of presentation, courses and workshops.

A valid class 5 driver's license is required.

The salary ranges from $44.75 to $53.44 hourly (approx. $87,262.50 to $104,208 annually), plus a Northern Allowance of $3,450 yearly.

A satisfactory criminal records check is required for this position.

Closing Date: October 28, 2018 at 5 pm MST
