WSCC Careers

Inspector of Mines/Engineer

S18/24NT

The Workers' Safety and Compensation Commission's (WSCC) vision is to eliminate workplace diseases and injuries. Our mission is to promote workplace health and safety while providing no fault insurance to employers and care for injured workers. Our values are respect, engagement, integrity, openness, cultural safety, excellence and stewardship in the workplace.

The NT and NU Mine Health and Safety Acts and Regulations give the Inspector of Mines/Engineer the legislative authority to enter mines to assess compliance with the Acts and Regulations, to investigate dangerous occurrences, serious injuries or fatalities, work refusals and employee claims of discrimination. Both positions ensure that companies within the broad definition of mining (under Section 1 of the Acts) operating in the two Territories are providing workers with a safe and healthy work environment.

Provides services to employers, workers, and the public related to the mineral industry, explosives use and mine design parameters through education, collaboration and enforcement to assist stakeholders in achieving compliance with the Mine Health and Safety Acts and Regulations, and the Explosives Use Act and Regulations.

This position requires an Engineering degree in a relevant discipline; preferably mining, from an accredited university, including seven (7) years of experience working at a mine or in the mining/exploration industry, to include at least five years spent in production operations and at least one year supervisory experience at a mine. (Requirement under the Mine Safety Regulations – Section 19.02).

Must be registered or be eligible for registration as a Professional Engineer in the NT and NU. A valid class 5 Driver's License is required. Membership as a Certified Registered Safety Professional would be considered an asset. Equivalent combinations of education and experience will be considered.

The salary ranges from $49.02 to $58.53 hourly (approx. $95,589 to $114,133.50 yearly), plus a Northern Allowance of $3,450 yearly.

A satisfactory criminal records check is required for this position.
