

Business Intelligence Analysis

Reference Number: 2015-0032 - RP

The Workers' Safety and Compensation Commission (WSCC) requires a contractor to conduct a Business Intelligence (BI) analysis to analyze internal WSCC data driven decision making needs and develop options for technology based reporting that improves access to real-time organizational information. The final analysis must note the success and opportunities of the WSCC's current BI system and recommend a short-term, medium-term and long-term vision for improving upon the current BI system.

The WSCC will accept sealed proposals until:

2:00 PM, LOCAL TIME (MT), Tuesday, June 30, 2015.
