Yellowknife, NT (October 26, 2015) – Today, the Workers' Safety and Compensation Commission (WSCC) announces the release of *WSCC Connect*, our new e-Business services.

Engagement with Northerners identified a need for online access to WSCC services. *WSCC Connect* now delivers on making information easier for employers to access and complete all at their convenience online.

*WSCC Connect* will initially launch with three employer-focussed services: Make a Payment, View Assessment Rates, and Request a Clearance. All registered businesses with the WSCC were mailed a welcome letter and their *WSCC Connect* code for Creating an Account.

"The launch of *WSCC Connect* provides our stakeholders with increased, more convenient access to WSCC services" says Dave Grundy, President and CEO. We are proud of the impact it will have in improving our service-delivery and accessibility."

WSCC Connect is available in both English and French.
